Amendments to the Claims:

This listing of claims replaces all prior versions and listings of claims in the application:

Listing of Claims:

1. (Currently Amended) An implant for use in a surgical procedure, the implant comprising a metal substrate and a surface layer that is integral with the metal substrate, the surface layer being a layer grown from the metal by anodizing, the layer incorporating a biocidal metal in an ionic form, the biocidal metal ions being adsorbed into the surface layer by ion exchange deposited from a solution.

2-3. (Cancelled)

4. (Currently amended) An implant as claimed in claim 1 → wherein the surface layer comprises a metal phosphate.

5. (Cancelled).

6. (Currently Amended) An implant as claimed in claim 1 →-5- wherein the biocidal material comprises metal ions are silver ions.

7. (Cancelled).

8. (Previously Presented) An implant as claimed in claim 1 wherein the surface of the implant is highly polished before provision of the surface layer.

9-17. (Cancelled)
